Good Afternoon Nicole,

I'm very sorry that you were not notified, I have included Chris and Daniel in this email. I do believe the head of Parks and Recreations was present at this meeting. I do apologize on behalf of Canyon School, but I'm very sure LA Parks and Recreations and CD13 will explain in full detail what was discussed in the meeting and any plans that were discussed.

Again I do apologize. Peace Celia Williams-Director Canyon School Inc

Hello Laura,

No we are not aware of the construction project at Canyon School. Might you have additional information? Is RAP conducting the construction or is Canyon School conducting the construction. What is being constructed?

Thank you.

~Leslie
